Spring 1 2023

Year 7

Dear Parents/Carers,

A short half term but with lots to celebrate. Well done to all the students who have been getting so many positive comments from their teachers! Spring 2 half term will have lots coming up; the school show Hairspray, a road safety performance, and workshops for some of the students.

I would like to update you about Brianna and her condition. She is still in hospital and will be for some time but is awake, speaking fully in both French and English and really missing her friends and even her teachers! Thank you to all who expressed their well wishes and to those who donated to her Go Fund Me page.

Best wishes

Mrs Sacramento

Year 8

Dear Parents/Carers

What a half term we have had! Our Year 8s have progressed from strength to strength showing amazing resilience and determination to **Enjoy and Excel**.

Everyone has been working really hard this half term! Lovely to see students participating in sports and working hard in their subjects. Many students have also been working hard in preparation for the musical after half term.

We have a trip coming up in the summer term so please refer to look in ParentPay to see what activities the students can do.

Best wishes

Ms H Kane

Year 9

Dear Parents/Carers

This coming half term will be quite intense for year 9s as this is the term when all year 9 students will select their GCSE Option subjects. Students will be provided with lots of information over the coming half term to allow them to make the best-informed decision for themselves. The Options Selector will go live on 22 March 2023, so students can't access this information before that date, they will have two days to make their selection, **the deadline is Friday 24 March 2023.**

There will be an **Options Evening on Wednesday 22 March 2023** (more information to follow). The evening will provide you with an opportunity to discuss with Heads of Faculty/ Departments what a GCSE in their subject entails plus a talk from Ms Newey (Assistant Headteacher in charge of Options)

We will also be having a 'Drop Down' day on Wednesday 29 March 2023 where year 9 students will be off timetable to attend workshops on the topic of 'Sex, Pressures, Risk Taking and Assessing Readiness for Sex'. This training is statutory PSHE and the organisation providing the training is Brook's who have been asked by Barnet to deliver Relationship and Sex Education (RSE) workshops to schools.

A lot of maturity will be required from year 9 this term and going on the evidence so far, I am sure that they will rise to the challenge.

Ms S Thomas

SIMPLE. SAFE. SECURE.

Kids these days carry a lot of expensive equipment, from trainers and clothing, to books and sportswear. So, it's scary to think that the average student loses 7 items per month.

Having a school locker can help to reduce these numbers. Creating a constant, secure location for students to store possessions safely. With the added advantage of keeping books dry and promoting better back health.

And, when you consider prices start from just 12p per day, the decision is simple.
