

Key Stage 4 News Bulletin Summer Term 1

Dear Parent/Carer

This half term has been a slightly unconventional one, with the bank holidays and strike days. The vast majority of Year 10 students compensated for this and worked tirelessly to keep up to date with their studies.

Over 130 students experienced the working world for the first-time last week and many of them flourished in the professional environments. Having read feedback from the student's employers, it seems that summer jobs and volunteering has been offered across the year group. This means that the impressions that the students gave were positive and impactful. I am incredibly proud of the year group and am pleased to know that this experience has inspired and encouraged them to think about their futures and the paths to get there.

Year 10 exams are fast approaching, and the students must be completing independent study throughout the half term. It is advised that they revise each subject for 20-30 minutes a day. Revision resources will be given by subject teachers but can also be found on Firefly. Another beneficial revision aid is BBC Bitesize. Please support your child by encouraging them to revise, helping to provide a conducive learning environment but also ensuring that they rest and enjoy their time off.

Well Done.
