

GCSE Results Day – DfE Education App

GCSE results day is on Thursday 20 August 2026.

All students will receive their GCSE Statement of Results via Firefly from 8am on results day.

Students who have been issued an education record will also be able to view their results in the app from 11am. Depending on the data transfer, some results may take more time. Students should not be worried if there is a delay to seeing their results on the app.
