

Dear Parent/Carer

This is the end to another academic year. Although everyone is tired and looking forward to a break there has been a lot to celebrate and enjoy over the year. This includes the summer festival that we held on 13 July. This felt like one big happy community event, and I would like to give special thanks to the students and the performing arts team for putting on a great show. A little bit of Glastonbury, including the rain, came to Friern Barnet. We have also had quite a few trips out to celebrate the end of the year.

You will be glad to hear that it looks like there is an end to the teacher strikes. It seems that the Government has accepted the pay rises recommended by the Pay Body and is giving schools more money to fund them. All unions, poised for more strikes in the autumn, seem to be willing to accept this new money.

Term starts again for year 7 students on Tuesday 5 September and all other students on Wednesday 6 September. When we return all students should be in full uniform and have all the necessary equipment. We will remind parents and carers of our expectations as the new term approaches. In the meantime, have a great summer. I look forward to seeing everyone again in September.

I leave you with some words from Emily Bronte:

'Tis moonlight, summer moonlight'
All soft and still and fair;
The solemn hour of midnight
Breathes sweet thoughts everywhere

Attendance matters

Attendance is an incredibly important part of ensuring the continued academic success of our students. We look forward to your continued support.

Here is a reminder about the expectations of attendance for the school year.

Late Arrivals

Parents and carers, we need your help encouraging your child to leave home in sufficient time to ensure that they arrive to school by 8:30am to avoid being late! Students arriving between 8:40am – 9:00am must go to their form class to be registered.

Students arriving after 9:00am

Students arriving after 9:00am will go directly to Student Services to sign in before receiving a late slip. **Arrivals after 9:00am will be classed as unauthorised absences and six in a four week period will result in a Fixed Penalty Notice (FPN) being issued.**

Please Note:

Absences can only be authorised by the school. Calling the school informs us of why your child is absent and the school will decide which code is appropriate. Medical evidence will need to be provided in order to avoid receiving a FPN before or after a school holiday.

Back gate

Please note, the back gate on Crescent Road shuts at 8.40am until the end of the school day. Students who arrive after 8:40am will be asked to walk around to the front entrance on Hemington Avenue.

Monitoring your child's attendance on Firefly

To help you keep track of your child/children's attendance, you can monitor attendance, lates, authorised and unauthorised absences on Firefly.

Attendance procedures

If your child has a cough or a cold, please send them to school with tissues and a water bottle. We will contact home and offer a paracetamol if required.

If your child is sick and unable to attend school, please call student services before 8:45am.

If your child has a medical appointment during the day, please inform student services of the appointment in advance and supply them with a copy of the appointment letter/appointment card. **Missing registration should be avoided.**

Have a wonderful break.

Mr J Robinson,
Assistant Head Teacher

Do you want to become involved in your child's school?

If so, have you thought about becoming a school governor?

What do governors do?

Governors are a critical friend who provide strategic leadership to the school, with the overarching aim of ensuring the wellbeing of the students and enabling all of them to achieve to the best of their ability.

Governors are responsible for:

- Developing a vision and strategy for the school
- Overseeing the financial performance of the school, making sure its money is well spent
- Holding the school to account to ensure that every student has the best possible education
- Engaging with students, staff, parents and the community to understand their views

There are no specific qualifications or requirements to the role – every governing board needs a balance and diversity of knowledge, skills, and experiences.

There are several transferrable skills that people have which the board can benefit from, i.e., HR, marketing and public relations, finance or local knowledge.

If anyone is interested in becoming a governor of Friern Barnet School, please email j.canavan@friern.barnet.sch.uk (the clerk to the Governors) for an application form or for more information.

Creative Arts

Tuition

1-1 Instrument Tuition

Thank you to those who have booked for next term. The new timetable will be available outside the music room and added onto Firefly. For more information please contact the Creative Arts office.

LAMDA

If your child is interested in doing LAMDA, please email Mrs Barber at h.barber@friern.barnet.sch.uk for further information.

Creative Arts continued

Follow us on: @friernbarnetschool and @fbs_dance

The Creative Arts Faculty have had a busy and successful year this year.

We decided to put on another Summer Festival, a great time was had by all despite having to move the festival indoors due to the weather. The festival offered a blend of music and dance, with a fantastic array of students showing us their dazzling dance numbers and music skills in the main hall. There was a sense of community, with many members of staff and students coming together to run the stalls. People enjoyed the face painting and henna stalls too.

Creative Arts continued

We also had this year's final LAMDA exams, with students entering from Grade 1 up to grade 5. Results are due over the summer, so good luck to all the students who took a grade.

Step Live Festival

Step Live Festival took place on Tuesday 4 July at Cadogan Hall. Dancers across London took to one of London's most prestigious stages for Step Live Festival, an annual celebration of dance.

All of the students that were involved in the performance are part of Step into Dance, a Royal Academy of Dance programme in partnership with the Jack Petchey Foundation.

Our students were fantastic!

FBS TRUMPET

A group of students have come together to create a student newsletter. It provides an opportunity for students to find out about all the activities and fun stuff that goes on at FBS, as well as interesting articles and information. The FBS Trumpet is about celebrating student achievements as well as sharing information about what's going on. We welcome contributions from students in any year group. All you need to do is submit a feature to your English teacher. Enjoy the read! [FBS Trumpet — Friern Barnet School \(fireflycloud.net\)](https://www.fireflycloud.net)

Ready, Set, Read! Summer Reading Challenge 2023

The Reading Agency and Barnet Libraries, in collaboration with the Youth Sport Trust, are excited to introduce Ready, Set, Read! Summer Reading Challenge 2023. This year, we are celebrating sport, play, and physical activity through reading, and we invite you to encourage your students to take part.

Combining free access to books at local libraries with a programme of [events](#) to take part in during the summer holidays, the Summer Reading Challenge is the perfect way to support your students' learning and remedy the reading 'dip' during the holidays.

Surveys showed that for children who took part in 2022:

- 77% read more over the summer holidays
- 75% improved their reading skills
- 71% felt more confident about their reading

How it works:

Children aged 4 to 12 can sign up at any Barnet library from **Saturday 8 July** and throughout the summer holidays.

They will need to borrow and read 6 books from the library to participate in the challenge. Every book they read will take them to the next level on their way to becoming a reading champion!

Reading eBooks via the [Libby app](#) or listening to eAudiobooks on the [Borrowbox app](#) also counts towards the challenge.

Summer Reading Challenge for Year 7 students

[Events | Barnet Council](#)

During [staffed hours](#) at the library, children will collect stickers and rewards on their reading journey. When they reach the finish line, they will receive a special certificate and a winner's medal.

Next steps:

- All primary schools will receive an email from us with information templates for their emails and newsletters. They will also receive details about our virtual assembly and a powerpoint presentation for their own use.
- Schools can also inform their parents and carers about our [newsletter for families](#). This is the best way to keep up to date about all our services including exciting new books, events, and the latest news about the challenge.
- Schools and families can also keep up to date with the challenge and summer activities via our [website](#), and they can follow us on [Twitter](#) and [Facebook](#).

For more information, contact Barnet Libraries at SRC@barnet.gov.uk.

Resources Request

From September, Year 9 pupils will be designing and making cross-body bags using recycled clothing, particularly denim, workwear clothing and jackets. The material in these items of clothing are usually tough and hardwearing, making them suitable for transformation into bags. Belts and ties will also be used to make the straps.

If you are having a clear out and can donate any items of clothing that are made from denim-style, corduroy or other hard wearing fabric, or old ties & belts, I will happily take them off your hands.

Please contact Mrs Snowball (a.snowball@friern.barnet.sch.uk) if you can help in any way

Camden Market Bags

This project was inspired by a trip to Camden Market. Pupils will be making bags similar to the ones below

Camo & workwear trousers with the waistband used for the strap

Cargo pocket used for the front and 2 ties use for the sides and handle strap

LRC

LGBT

Drawing Competition!!

We are running a drawing, painting or mixed media competition on any aspect of LGBT as part of Pride Month.

The winning drawing will be shown in the FBS newsletter and displayed in the LRC.

A cash prize will also be included!

All entries should be handed in to Ms Paul in the LRC by 30th June

Congratulations to Daniela, Year 9, who won the Pride drawing competition.

Summer student activity

Have a go at the following activities, students who can prove they have finished some of the activities will win a prize. Good luck!!

Ms Paul, LRC Manager

Put each number back in the bowl until you have pulled it out 3 times and completed all the activities on that row.

The Guardian Foundation

A group of students from Years 7 to 10 attended a very exciting onsite workshop called 'Behind the headlines' at the Guardian newspaper in July. Students attended a two-hour workshop where they gained an insight into what it is like to work at a national news organisation. Students joined a workshop called 'Fake or Real' where they wrote and produced fake or real presentations. They also learned about the Guardian and its history, and imagined and planned what news might look like in the future.

Congratulations to Nathan (8A), Conor (8B) and Ollie (7D) who achieved a Gold Award in the recent UKMT Junior Mathematical Challenge. Nathan has also earned a place in the Junior Kangaroo 2023 follow-on round on the 14 June.

Also, congratulations to the Silver Award winners who were Davide (8E), Abdullah (8B), Emma (8C), Zhenya (7B), Baqer (7D), Maggie (7A), Ali (7A) and Rayan (7D).

Further congratulations to the Bronze Award winners who were Taliyah (7E), Avantika (7B), Ihsan (7F), Martin (7D), Hudson (7F), Corrina (7E), Brian (7D), Cleo (7A), Maya (7E), Kiara (7F), Thomas (7B), Mathilda (7B), Lewis (7E), Jaden (7D) Leonardo (8C), Callum (8A), Olivia (8A), Albert (8C), Farman (8B), Maksym (8E), Kamelia (8C), Chloe (8C), Miraj (8E), Murad (8B), Paulina (8B) and Zara (8A).

This is a huge achievement for all of them, their families and the school.

STEM

Industrial Bronze Project

We had two Year 9 teams take part in a STEM project and the celebration event took place on 28 June at London Bridge, hosted by Jacobs.

Over 12 weeks students have had to show resilience, communication, time management skills and the ability to complete their own research.

At the event they showcased their projects to the other schools with the day ending with a prize giving.

Well done to both teams.

Team 1: Evie, Lyra, Mai, Rosie E, Lily, Cemre

Team 2: Graeme, Sindi, Evin, Orges, Zahir, Sumaya

Awards were given to Team 2, they came second and picked up the Innovation Award and were also chosen by their peers for the Peoples Choice Award.

SHURE Competition

Our talented students, Tara (7A) and Abdullah (8B), have emerged as the winners of SHURE Competition! This prestigious event challenged participants to utilise microbits for coding, experimenting, and exploring new innovation.

Tara and Abdullah's remarkable achievement not only showcases their exceptional talent and dedication but also brings immense pride to our school. Well done!

Canteen

The canteen is open at the following times:

Breakfast: 8.15am – 8.40am

Break: 11.00am – 11.20am

Lunch: Key Stage 3: 12.20pm - 12.55pm and Key Stage 4: 1.20pm - 1.55pm

Topping up lunch accounts - school dinner money needs to be added via ParentPay before 10.30am to allow students to be able to buy lunch on the same day. We recommend topping up over the weekend as ParentPay can be busy on Monday mornings sometimes causing delays with payments. You can also set up a free email alert: Click on the link for further information (follow instructions for free email alerts as text message alerts are charged at 6p each) : <https://parent-support.parentpaygroup.com/hc/en-gb/articles/4410756555025-How-to-set-alerts#how-to-set-alerts-0-0>

Just a reminder, when making payments can we ask you not to use the 'Bank Transfer' payment method as this can take up to 7 days to clear which then delays money going onto your child's lunch account. The best way is to add money to the basket and check out using either 'Visa' or 'Other Payment Methods'. Click on the link below for further information: <https://parent-support.parentpaygroup.com/hc/en-gb/articles/4410737893649-How-to-pay-with-credit-or-debit-card>

Daily spend limit— there is a default daily spend limit of £3.50 and no food costing above that limit can be bought. This limit can only be changed by emailing school@friern.barnet.sch.uk

Students on Free School Meals can spend up to £2.55 a day. Parents/Carers are welcome to top up their lunch accounts.

Help - if your child needs help with their pin code, finger print or they have been told they do not have sufficient funds on their account, please remind them to come to the main office so we can help them as we do not want anyone to go hungry.
