Dear Year 11 leaver

GCSE Results Day – Thursday 20 August 2026

Your statement of results will be uploaded to Firefly from 8:00am on Thursday 20 August and will be available until 4:00pm on Thursday 27 August. Instructions on how to view your results are on the following page. Please print or save a copy as you will need it for your college or sixth form placement or further job applications.

Please remember this is not your GCSE certificate. Your GCSE certificates will be available to collect on Thursday 3 December 2026. Further information will be sent out nearer the time.

If you have been issued with your education record on the DfE education app, your GCSE results will be automatically added to the app *after* they are released by the awarding organisations. You will receive a notification on their app to let you know they have been added to your education record.

You can use the app to apply and enrol at a college, sixth form or training provider. You can use the app to share your education record. For any immediate enquiries, you can use your GCSE statement of results as proof of your qualification grades.

All students progressing to college or sixth form will have received communication from the provider about what they need to do to confirm their place and should follow these instructions. If you are unsure, you should check the providers website or contact them directly.

We have put together some further information you may find useful and this is available on [Firefly](#):
