Important places in the school

Canteen

What is it?

The Canteen is where you can buy your food at break and lunch time. It is also where you can eat your packed lunch, if you like. There will always be a TA in the canteen at break and lunch, and you can sit and eat with your friends, or you can go outside too.

Where is it?

The canteen is next to the reception. Students are not allowed to go in this way, though. All students must enter through the footpath behind the Dance changing rooms.

Bungalow

What is it?

The Bungalow is where we help students that need support with their learning. You may have intervention lessons in the Bungalow or come here if you need help from the Teaching Assistants, Miss Levitan or Mr Young.

Where is it?

The Bungalow is next to the Year 7 area and the Technology classrooms in the Usher Building.

Important places in the school

Student Services

What is it? This is where you can go if you need help, such as if you are lost or unwell. Michelle works in Student Services and she is able to give you First Aid if you have an accident.

Where is it?

It's in the Main building, next to the stairs above the Girls' toilets.

Year 7 Area

What is it? During break and lunch you can play games and eat your food in the Year 7 area. Only Year 7 students are allowed here and there will always be an adult nearby to help you if needed.

Where is it?

The Year 7 area is behind the Usher Building, just past the Bungalow.

Important places in the school

Girls' Toilets

What is it?

These are the toilets that all girls can use. You should try to go the toilet during lunch and break, so you won't need to go during lessons.

Where is it?

In the Main building, at the bottom of the stairs next to Food Technology

Boys' Toilets

What is it?

These are the toilets that all boys can use. You should try to go the toilet during lunch and break, so you won't need to go during lessons.

Where is it?

KS3 Pastoral Office

What is it?

This is where your head of year and Mrs Mordecai work. They are able to help you if you have any problems before school, at break or at lunch.

Where is it?

It's in the Main Building, in the English corridor close to Student Services.

LRC (The Library)

What is it?

The LRC is the short name for our school library, the Learning Resource Centre. You can come here at break and lunch to read or work quietly on a computer.
