Spring Term 2

Year 7

Dear Parents / Carers,

We are two thirds of the way through the year and the year 7 student's have gone from strength to strength, they have shown real resilience in what has been a short but gruelling half term.

We have had Careers week, Science week and even seen the year 10 running their own businesses at lunch time.

I am extremely proud of the year 7 students for achieving the highest number of Platinum and Diamond achievement points.

I hope that you all have an enjoyable and restful break and come back with the same focus for the Summer term!

Ms C George

Year 8

Dear Parents / Carers,

At the end of the Spring term it's great to see the days getting brighter and the students earning so many achievement points, well done!

Last half term I announced a reward trip at the end of the year for all students who are not in the negative points and have an average attitude to learning of a 3. This was to give them time to make a positive change if needed and I look forward to seeing this reflected in their reports after Easter. There is obviously still time to achieve this!

I hope you all have a lovely break,

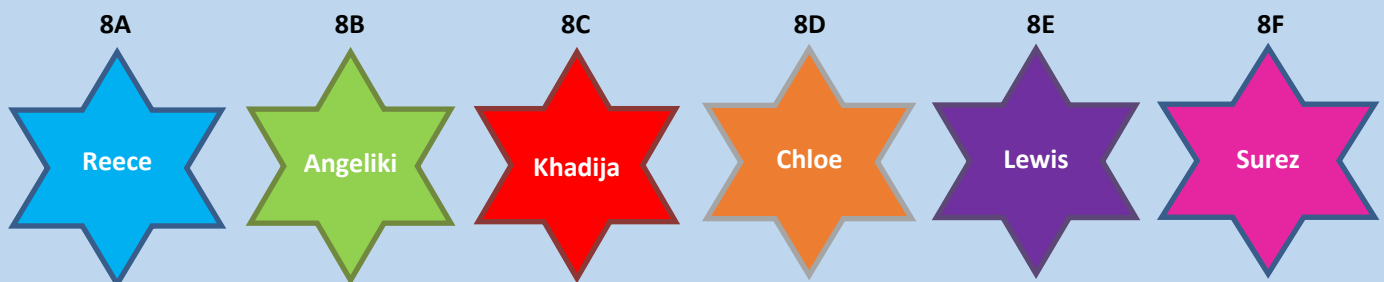

Mrs Sacramento

Year 9

Dear Parents / Carers,

What a year we have had, our Year 9s have progressed from strength to strength showing amazing resilience and determination to **Enjoy and Excel**.

Year 9 have been working really hard this half term, especially while picking their options as we have given them a lot of information in a short space of time. I would like to thank all of the parents for all their support through this process as it is a big change for year 9.

We hope coming into the summer term, they will continue to work hard and are excited about starting their GCSEs in September.

Have a fantastic Easter break!

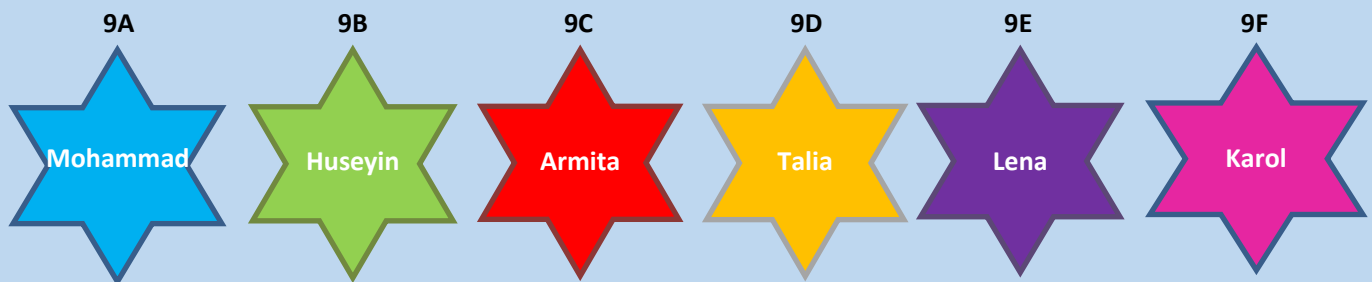

Miss Kane
