

Key Stage 4 News Bulletin

Autumn 2 2023

Dear Parent/Carer

Year 10 have packed a lot of learning into the second term of their GCSE course, whilst also taking advantage of a lot of extra-curricular activities.

Congratulations to Niket and Aaliyah for their success at the Jack Petchey Speak Out Challenge workshops and who will now represent Friern Barnet School in the Barnet Finals which is going to be held here on the 16 January.

On 21 November, we had a drama company come in to deliver a performance called 'In Our Words' to year 10s around the theme of healthy relations. It was very thought provoking and entertaining and we hope that students got a lot out of the performance.

On 28 November students that have an interest in working in medicine and health care had the opportunity to participate in the Medical Activity Day, this involved developing hands on experience of using medical equipment. We hope that this was an inspiring experience so that our young people go on and work in our much loved NHS!

Finally, many year 10s performed and showcased their talent and passion for music in the Winter Concert . Congratulations to everyone that was involved for producing a wonderful evening.

Wishing everyone a very merry Christmas and a fabulous 2024

Dear Parent/Carer,

Year 11 have had a very challenging half term, with studying and sitting their mock exams. Many of the students had a fantastic attitude towards their exams and others have certainly realised that it takes hard work and determination to do well.

January will be a fresh start for some, and an opportunity for all students to begin working to a standard that will support them in reaching their goals. Many 6th form and college applications are due over the next couple of months, so please ensure you support your child in this process and be clear of when the deadlines are. There will be an opportunity in early January for parents/carers to attend a support session to discuss both further education applications and ideas/resources to help your child revise for their GCSEs.

I was finally able to reveal this years Prom date and location and it has caused a great deal of excitement amongst both students and staff. It will be held on Friday 12 July at the beautiful Forty Hall in Enfield and tickets will be £46. This amount covers venue hire, unlimited food/drinks, DJ, Venue security and all the added extras to make the evening as special as the Year 11's deserve it to be. Again, further information about this event will be available via Parent Pay in the new year.

For those of you celebrating the festivities this month, I wish you a very Merry Christmas and hope that everyone manages to have a restful break.

I look forward to seeing Year 11 in the New Year, ready to learn and ready to be great!

Miss C Morgan
