

Key Stage 4 News Bulletin Summer Term 2

Dear Parent/Carer

Year 10 have officially completed their first year of GCSE study – what a year it has been! From powering through mock exams in sweltering heat to throwing themselves into Sports Day, they have shown resilience, determination and plenty of school spirit.

Along the way, they have enjoyed a wide range of educational trips, been inspired by guest speakers from the insurance and engineering industries, taken to the stage, watched performances including *Macbeth*, celebrated prize-winning successes and embraced countless other opportunities.

We hope everyone enjoys a well-earned, restful summer break. When your report arrives, take some time to look carefully at your mock exam results and reflect on what they tell you. Think about what is going well and, more importantly, what you need to start doing now to be fully prepared for the November mock examinations. A little planning over the summer can make a big difference.

Have a fantastic holiday—we look forward to seeing you in September, ready for another successful year!
