Key Stage 4 News Bulletin
Autumn 1 2026

Dear Parent/Carer,

This half term has flown by, bringing with it a wealth of exciting opportunities to inspire, challenge and prepare our GCSE students for life beyond school.

From engaging in thought-provoking discussions at the Anti-Discrimination Workshop to exploring future pathways at the College Fair, students have continued to broaden their horizons, develop valuable skills and gain a greater understanding of the opportunities available to them beyond GCSEs. These experiences have encouraged students to think about their futures, build confidence and consider the many pathways open to them as they prepare for the next stage of their education.

Alongside these enriching experiences, students continued progress in the classroom have made for a busy and productive half term. Year 10 have worked hard to build on their knowledge, strengthen their understanding and develop the resilience and independence needed to succeed in their GCSE studies. It has been wonderful to see so many students engaging positively with their learning and making the most of the opportunities available to them.

As we reach the end of another busy half term, we would like to congratulate our students on their continued efforts, enthusiasm and commitment. We are proud of the progress they are making, both academically and personally, and encourage them to take some time over the break to rest, recharge and reflect on their achievements so far.

A quick reminder to register your Class Charts account- Class Charts - Friern Barnet School -

I wish everyone a restful and enjoyable half-term break and look forward to welcoming students back, refreshed, motivated and ready to make a strong finish to the term.

Key Stage 4 News Bulletin

Dear Parent/Carer,

It's hard to believe that we have reached the first half term of year 11 already! This is an incredibly important and busy year, and our students have made a fantastic start.

This half term has been packed with key events and opportunities, including our year 11 group photograph and voting for the Prom, which students chose to hold on **Friday 16 July**. During form time, students have spent a great deal of time focusing on college applications and receiving advice and guidance on effective revision techniques to help them prepare for the months ahead.

After-school revision sessions have also begun, with many students showing excellent commitment to their studies. However, we know that some students are starting to feel the pressure of year 11, so we would encourage everyone to make time for rest and relaxation during the half-term break. A good balance between revision, wellbeing and downtime is key to success.

A quick reminder to register your Class Charts account- Class Charts - Friern Barnet School -

We wish all year 11 students and their families a restful half term and look forward to another productive half term ahead.

Mrs S Sacramento

Wellbeing for students

Please refer to the wellbeing page on our school website: **Support for Mental** Health **and Wellbeing - Friern Barnet School -**
On Firefly you will find information and resources to support mental health, click the link for further information: **link**

Medical conditions - if your child develops an allergy or medical conditions or if their existing medical condition changes, please let us know as soon as possible so we can keep our records up to date and provide the best care for your child.

Medication— Parents/Carers must complete and return a medical form to the main office when their child requires medication. All medication must be supplied by the parent/carer and it needs to be in its original packaging including the prescription label. All medication, including pain medication or antihistamines, need to be stored in Student Services. Students should not be carrying around any medication in their bags or taking medication without staff supervision.

Allergies - a reminder that we are a **nut free school**. Students who require EpiPens must always keep an EpiPen on them and their second EpiPen must be kept in Student Services.

Restrictions— Vehicles are not permitted to enter Hemington Avenue or Bethune Avenue from 8.00 - 9.00 am and from 2.45 - 3.45 pm.

Traffic around the school can be busy and if you drive your child to school, please do not park near the entrance to Hemington Avenue as this obstructs the view of traffic and could cause an accident. We want all our children to be safe and well coming to school in the morning and going home in the afternoon.

48 Hour rule for absences linked to illness— we would like to remind Parents/Carers of our strict 48 hour rule for absences linked to sickness. Your child must not be in school until they have had a full 48 hours clear of any symptoms to help us avoid passing on these germs.

ParentPay contact details— If your mobile number or email address has changed, please up date your details on ParentPay so you do not miss out on any important information.

Contact Details— Please let us know by emailing school@friern.barnet.sch.uk if you have changed any contact details or moved house as soon as possible.

Absence—Please report your child's absence each day before 8:00am, clearly stating their name, form class and reason for absence. You can either call 020 8368 2777 and press Option 1 'To report your child absent' or email: attendance@friern.barnet.sch.uk
For medical or other appointments during the school day, notification is required **in advance.** Routine appointments/ check-ups should be made out of school hours wherever possible.
Non-medical absences
Permission for all non-medical absences must be authorised by Ms Thomas, Attendance Lead. Please fill in a leave of absence form and email it, in advance, and forward it to school@friern.barnet.sch.uk:
