4 November 2026

Dear Parents/Carers

SEND Outcome Review Day meetings - Thursday 19 November 2026

I am writing to inform you of the forthcoming SEND Outcome Review Day on Thursday 19 November 2026, which will run from 1pm until 3.25pm.

As you are aware, your child is on the SEND register and has an ISP (Individual Support Plan) with three tailored outcomes. These are updated termly; both the students' and parents' involvement are imperative for it to be a meaningful review. The 15-minute SEND outcome review meeting is an opportunity for you to meet virtually with your child's link Teaching Assistant to collaboratively review their ISP and discuss the progress they have made with their SEND outcomes.

This year, the SEND Outcome Review meetings will be conducted via Firefly. **In order to attend, you will need to have a Parent Firefly account set up in advance.** Firefly Parent Portal - Friern Barnet School - Appointments will be held via video calls using the online the Parent Firefly app. You will be able to book your meeting from tomorrow Thursday 5 November at 9:30am.

Further Instructions on 'How to attend appointments over a video call' will follow.

If you have any questions regarding this or need any assistance with the online booking system, please contact Mrs Amrani, on the main school telephone number or email @friern.barnet.sch.uk.

Yours faithfully,

Holly Levitan
