

French: Year 7 Overview

Autumn 1: Basic language

Students are introduced to greetings, alphabet, numbers so they can say basic information about themselves.

Autumn 2: Family

Students will learn family members, pets and colours.

Spring 1: Introduction to Poetry

Students will apply all that was seen before with physical descriptions and personality so they can describe their family.

Spring 2: School

Students will learn about school subjects, time and will start giving their opinion about it.

Summer 1: School

Students will then describe their lessons, their school and say what they do in class and give an opinion about school in general.

Summer 2: School

We will reinforce skills so students will be confident with structures, adjectives, opinions and verbs.
