

## French: Year 8 Overview

### **Autumn 1: Sports**

Students will start studying sports they like, play or do. They will need to apply the correct preposition with the correct verb and start extending their answers with good reasons and more time phrases

### **Autumn 2: Sports**

We will consolidate some skills and prepare towards the first assessment so students feel extremely confident about their written, speaking, listening and reading skills.

### **Spring 1: Leisure - TV and reading**

Students will learn about TV programs, films and books and give their opinions and why. They will use more verbs and become more familiar with giving more developed reasons.

### **Spring 2: Leisure - Last weekend**

Students will be introduced to a new tense and prepare towards their assessment.

### **Summer 1: Home and town**

Students will learn about places in the house, places in town and will be introduced to some near future so they can develop their answers.

### **Summer 2: Going out**

Students will use the future tense just studied to talk about future plans for the weekend and create a role play to go out.
